

Le logement  
– quelques  
pistes de  
réflexion

Marc-André LeChasseur

Bélangier Sauv 

A stylized, minimalist icon of a house. The roof is composed of two thick, black diagonal lines meeting at a central peak. Below the roof is a solid black rectangular shape representing the main body of the house. At the bottom center of this black shape is a white rectangular area, which serves as a placeholder for a window or door. The entire icon is centered on a light gray background.
